

Dear Community Supporter,

On behalf of everyone associated with the Children's Hospital of Wisconsin's Milwaukee Child Advocacy Center, we would like to ask for your consideration in supporting the 5th Annual #DoWhatYouDesire Toy & Book Drive. The items donated will benefit the children served by the Milwaukee Child Advocacy Center (MCAC) immensely. The program provides many of its services at no cost to families and therefore we rely very much on the charity and kindness of others.

The items contributed will provide comfort, distraction, and reassurance to victims of child abuse and neglect during a time of true crisis. Each child and teen that visits the center is offered a gift at the conclusion of their visit. These items will be given to patients when they come to the MCAC with the message that they are special and someone cares about them.

Many of the patients served come from less-fortunate backgrounds and do not have the necessities they need and are therefore embarrassed when coming to the MCAC for a medical exam. Something most people take for granted is appreciated so much by the children and teens we see. Please know the items you donate will put a child at ease.

Thank you for your consideration to support the 5th Annual #DoWhatYouDesire Toy & Book Drive. If you have any questions or are interested in learning more about the MCAC, feel free to contact Julie Fonferek. Please send all correspondence regarding Toy and Book Drive to Josh Scarver.

All donations are tax deductible and a receipt will be provided upon completion of the toy drive. If you are interested in a tax receipt please keep an itemized list of your donation. Checks may be made payable to: Milwaukee Child Advocacy Center.

Sincerely,

Julie Fonferek
